

World Cafe Table Host Guide

- **Create** a "safe" space for your table guests
- **Focus** conversation on the topic at hand
- **Guide** the conversation to link ideas and patterns
- **Explore** questions at a deeper level
- **Support** your guests to engage in the conversation
- **Allocate** time to each of the questions (and keep an eye on the time)
- **Record** key concepts - and encourage others to write on the paper table cloths.
- **Encourage** guests to move on to the next table swiftly
- **Welcome** new guests to your table, give a quick summary of the discussion so far - provide a basis for your new guests to contribute
- **Present** a summary to the overall group at the end of the session
